The Board's functions include the determination of final special franchise assessments and values, railroad ceilings and State equalization rates where complaints were filed. Additionally, the Board hears and determines reviews relating to determinations of County equalization agencies and appeals from property owners who are dissatisfied with the Tax Department's final determination of STAR eligibility.

Adequate opportunity to comment on matters considered by the Board is available through hearings and written submissions. All written documents relating to items on the agenda are available to the Board members in advance of the meeting. The agenda is ordinarily available two weeks prior to a Board meeting.

Persons who wish to address the Board concerning a specific item on the agenda may request permission to do so by notifying the Assistant to the State Board at least seven days prior to the date of the meeting. The Board encourages individuals who wish to address the Board at the meeting to provide written comments concerning a specific item on the agenda prior to the meeting in accordance with the above schedule. This process allows the Board to adequately address interested individuals' concerns. When addressing the Board, presenters are encouraged to limit statements to no more than ten minutes.
